**STATEMENT**

I, Keith R. McNally, an inventor of the subject matter described and claimed in the above-identified patent application and a responsible officer of Ameranth Wireless, a corporation duly organized under the existing laws of the state of Delaware and having a place of business at 5505 Morehouse Drive, Third Floor, San Diego, CA 92121-1710, hereby states:

(1.) Ameranth Wireless is the owner, by right of assignment, of the above-identified patent application.

(2.) W. J. Kitchen is a former Chief Executive Officer of Ameranth Wireless.

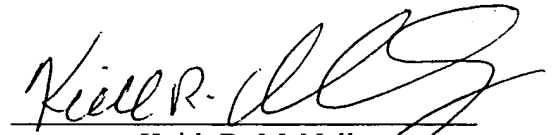

(3.) Mr. Kitchen's employment with Ameranth Wireless was terminated. Just prior to Kitchen's termination, he directed me to list him as an inventor in the above-identified patent application. Mr. Kitchen was subsequently listed as an inventor in the application papers.

(4.) Sworn testimony recently given by Mr. Kitchen indicates that he is not an inventor of the subject matter described and claimed in the above-identified application.

(5.) An executed Declaration has not heretofore been submitted in the above-identified application.

(6.) Accordingly, so as to properly indicate the inventorship in the above-

identified application, the executed Combined Declaration and Power of Attorney submitted herewith does not list W. J. Kitchen as an inventor.
